

1 UNITED STATES DISTRICT COURT

2 DISTRICT OF NEVADA

3 Derek Eisenberg,

4 Plaintiff(s),

5 vs.

6 Dr. Kristopher Sanchez, et al.,

7 Defendant(s).

2:24-cv-02377-JAD-MDC

**ORDER DENYING STIPULATION**

8 **IT IS ORDERED** that the *Joint Stipulated Discovery Plan and Scheduling Order* (ECF No. 25)  
9 is **DENIED WITHOUT PREJUDICE**. The first defendants' appearance was on February 3, 2025  
10 (ECF No. 12). More substantively, the parties' brief statement that they "expect fact intensive  
11 discovery" is vague and fail to show good cause for the longer requested discovery. The parties may  
12 submit an amended stipulation providing more detail why the parties believe good cause exists for  
13 longer discovery. Finally, LR IA 6-2 requires the judicial signature block to appear on the same page as  
14 the last substantive matter and not stand-alone page. The parties are requested to file their amended  
15 stipulation by **June 24, 2025**.

16  
17 DATED this 16<sup>th</sup> day of June 2025.

18 IT IS SO ORDERED.
